

Voices: Chicago Jewish Teen Foundation 2025-2026 Request for Proposal

Humanitarian Aid to Israel Committee

Voices: The Chicago Jewish Teen Foundation is comprised of a group of Chicago-area Jewish teenagers from a variety of backgrounds. The Foundation focuses on different philanthropic needs each year. We are funded by a special endowment through the Jewish Federation of Metropolitan Chicago as well as our own contributions. This year, Voices Alumni members divided into committees based upon three different areas of interest: combating antisemitism on college campuses, humanitarian aid to Israel, and violence prevention & victim services.

Mission Statement

The Voices Alumni Board is devoted to making a difference in the world by providing grants to organizations with missions aimed at addressing antisemitism on college campuses, providing humanitarian aid in Israel, and supporting violence prevention programs. These efforts are inspired by the Jewish values of service, respect, and equity.

This Request for Proposal (RFP) represents the grant guidelines and funding goals of the **Humanitarian Aid to Israel Committee**.
